

TO AMEND AN ACT ENTITLED AN ACT TO AMEND  
SECTION 101 OF THE JUDICIAL CODE

---

DECEMBER 16, 1924.—Referred to the House Calendar and ordered to be printed.

---

Mr. YATES, from the Committee on the Judiciary, submitted the following

REPORT

[To accompany H. R. 82]

The Committee on the Judiciary, to which was referred the bill H. R. 82, after hearing and consideration, report favorably thereon and recommend that the bill do pass with the following amendment:

After the figures 1917 on page 1, line 6, and before the word "be" insert the following: "As amended by the act approved June 13, 1918."

PROVISIONS OF THE BILL

The proposed bill is for the purpose of providing that a term of Federal court be held at Mangum, Okla., on the second Monday in July, and the same does not in any way change any of the provisions of the present law which provides for the holding of terms of Federal court in the State of Oklahoma. This bill does not appropriate any money, neither does it provide for the employment of any additional help. It requires the city of Mangum to provide suitable rooms and accommodations for holding terms of court at Mangum without expense to the United States.

CONCLUSION

Inasmuch as there is no provision in the present statute for holding a term of court in any of the 15 western counties in Oklahoma, the committee feels that this bill should be enacted into law.
